Why positive thinking sucks - a daring adventure

Positive thinking has long been a staple of the self development industry. But not only does it often not work, it can also have the reverse effect. Sadly, many take it to such extremes that they daren't ever be seen to complain . I'm also not thinking, nothing possibly could go wrong, I wont have any pain

Silencing the haters - the positivity solution™

That fear almost stopped me from ever hitting “Publish” on my very first blog post. A few years ago at work, I had a very motivated group of haters who loved to comment and real, and apparently, my positive attitude annoyed the hell out of them. Their hate has nothing to do with how they feel about you, it's a reflection
