As an entrepreneur, you already have an innate ability to tell your story. Believe it or not, that is the absolute first step in public relations.

Visiting a brick and mortar library is no longer necessary if you need a novel to read during your daily commute, a short stories collection for your school essay or a handbook for your next project. It is extremely likely that you currently possess at least one device with a working Internet connection, which means that you have access to numerous online libraries and catalogs. Unfortunately, not all of them are well-organized and sometimes it is pretty hard to find the ebook you need there.
